

THE OTTAWA NETWORK OF CHILDREN & FAMILY MINISTRIES

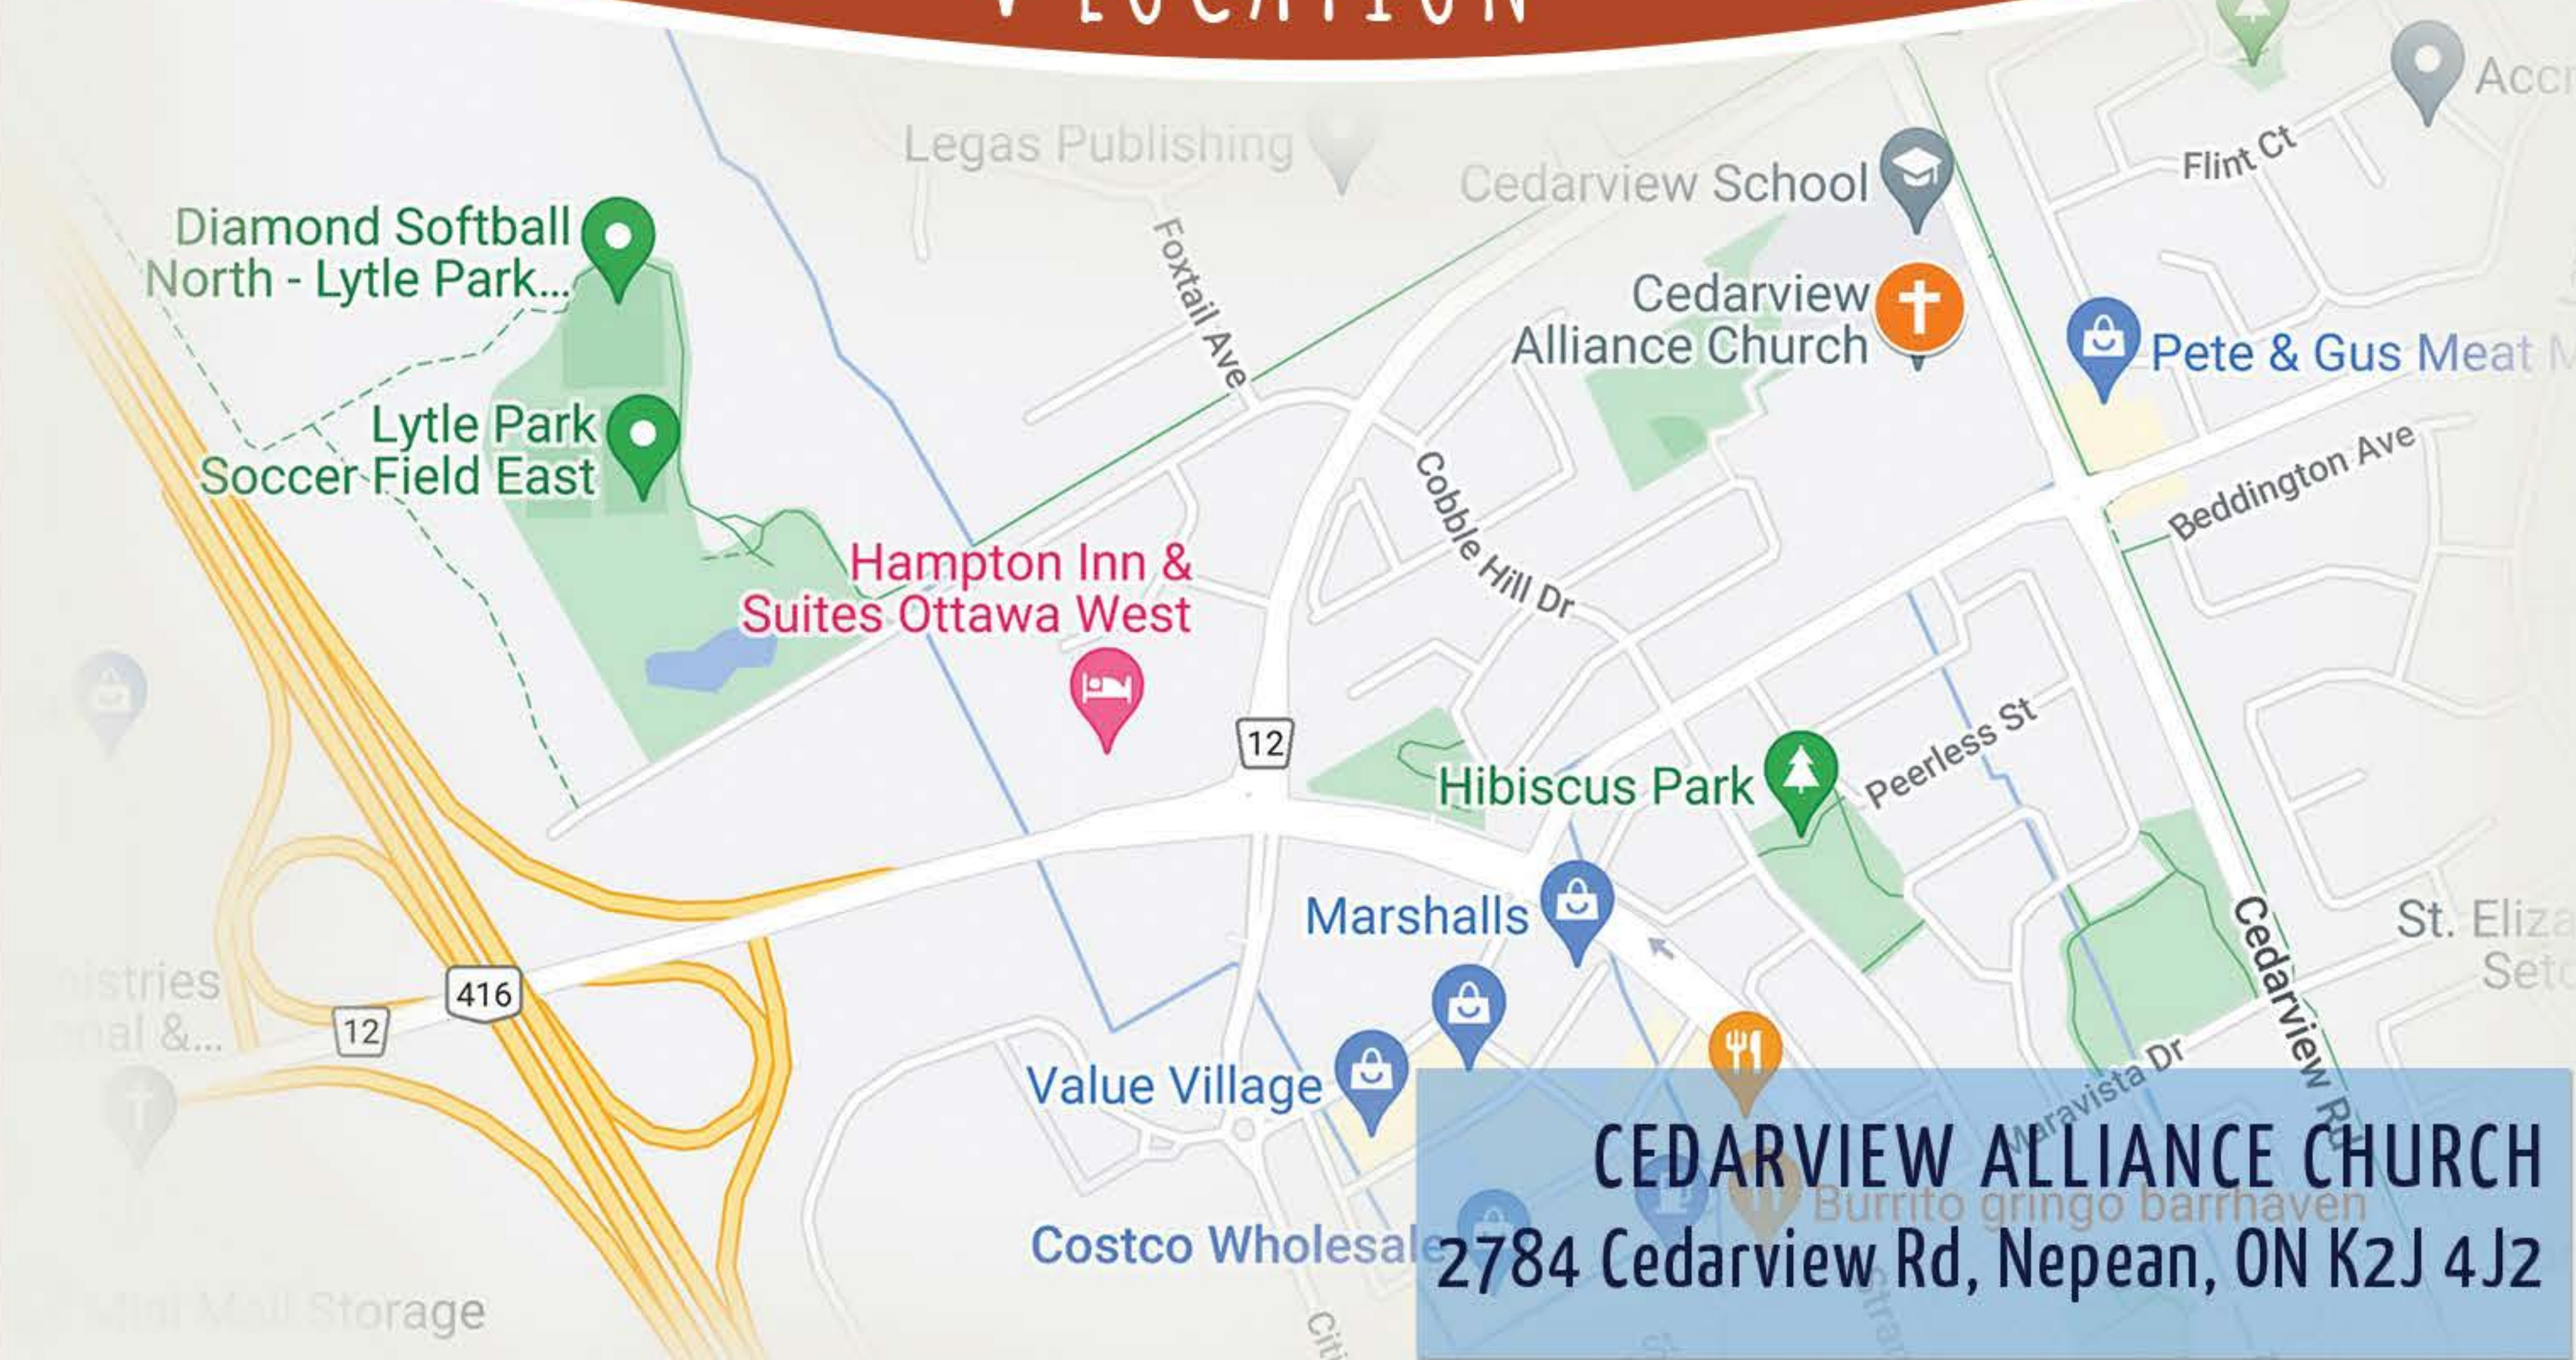

Meeting regularly since 2002, for the purpose of sharing, encouraging, and prayer, the CFM Network is attended by leaders of children & family ministries from over a dozen different churches with the common aim of strengthening these ministries in the local church. Over the years, the network has grown with the added purpose of planning **VAULT**.

We welcome you to participate in our **8th VAULT** on Saturday, October 22nd. Come be encouraged through praise, worship, and prayer. Be equipped to serve in children and family ministries through workshops and resources. Be engaged in connecting, sharing and building relationships. Come be inspired by our **keynote speaker Kathy Maietta**.

It is our prayer that you will be strengthened to serve in ministries to children and families in the local church, as you reach out to your neighbourhoods and communities with the Love of God.

keynote speaker KATHY MAIETTA

Kathy Maietta has served children and their families for over thirty years in a variety of settings. As an Early Childhood Educator, she served at a number of day care centres, a parent-cooperative nursery school and the Ontario Early Years Centre.

As a Children's Pastor, her ministry included approximately 10 years at two local churches and over 14 years as the Children's Ministries Director at the Eastern Ontario and Nunavut District of PAOC. Kathy has served as the Director of the Children's Ministry Major since 2014 at Masters College & Seminary.

She has travelled across Canada speaking at conferences, camps and churches addressing audiences of children, youth and adults. Her passion for ministering to the next generation is found in Psalm 78:4 "We will not hide these truths from our children; we will tell the next generation about the glorious deeds of the Lord, about his power and his mighty wonders."

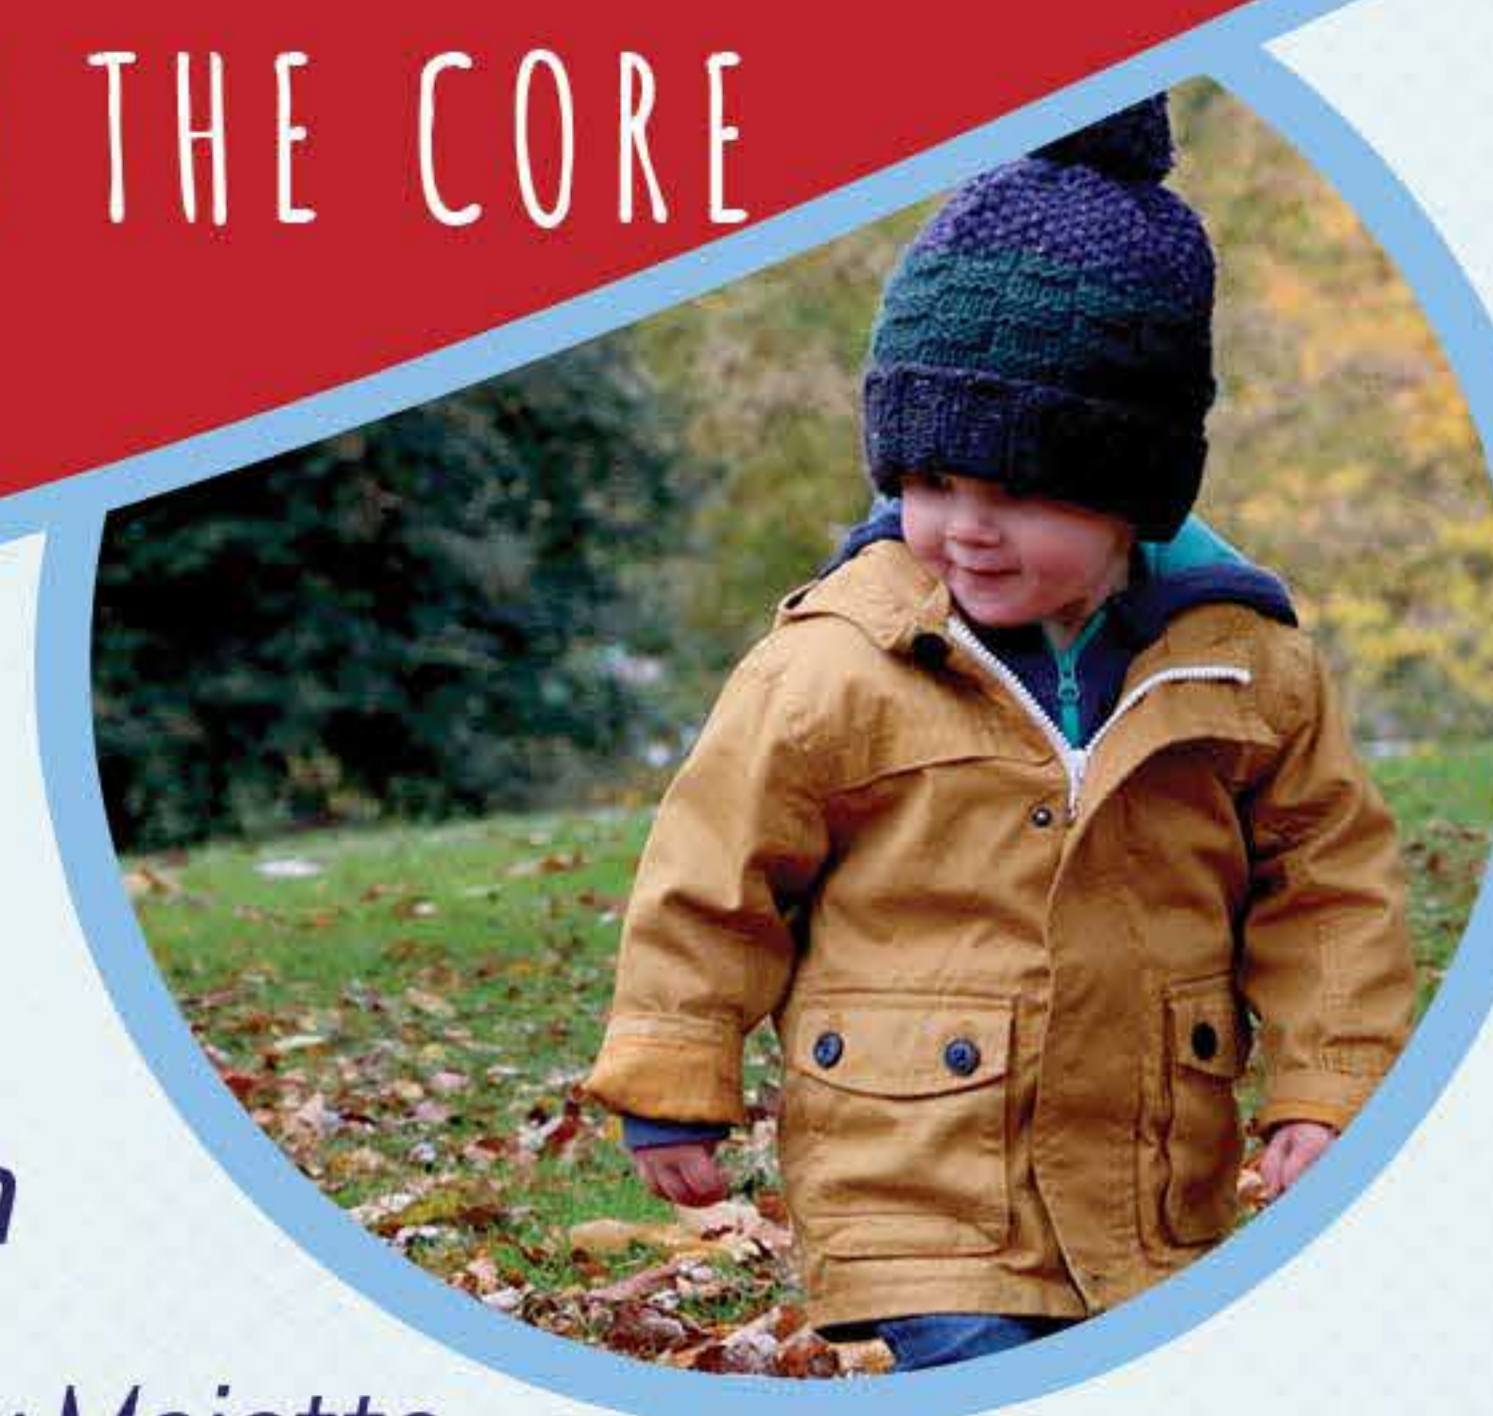

WORKSHOP PRESENTERS

The Workshops will be presented by a number of Children & Family Ministry leaders in the area. Each will bring their own unique style and training to these sessions.
