

 THE OTTAWA NETWORK OF CHILDREN & FAMILY MINISTRIES

Meeting regularly since 2002, for the purpose of sharing, encouraging, and prayer, the CFM Network is attended by leaders of children & family ministries from over a dozen different churches with the common aim of strengthening these ministries in the local church. Over the years, the network has grown with the added purpose of planning VAULT.

We welcome you to participate in our **9th VAULT** on Saturday, October 26th. Come be encouraged through praise, worship, and prayer. Be equipped to serve in children and family ministries through workshops and resources. Be engaged in connecting, sharing and building relationships. Come be inspired by our **keynote speaker Shelley Good**.

It is our prayer that you will be strengthened to serve in ministries to children and families in the local church, as you reach out to your neighbourhoods and communities with the Love of God.
